Model 10, etc.

OTHER STYLES AND SIZES FOR OTHER MACHINES

Made of 18 gauge steel.

Have round corners and
pressed covers.

Can be used for a step.

Are the strongest boxes
on the market.

Vibration, washing,
weather and mud do
not injure them.

Our Garage Floor Pan Size 24x34, 5/8 Deep Keeps Your Floors and Tires Clean

Ask the manufacturers WHY they use "Hayes" boxes.

Then ask your jobber FOR them.
